Vanity Fare

WHETHER FULL SUITES OR STAND-ALONES, THESE SYSTEMS ARE A FUNCTIONAL FIT IN JUST ABOUT ANY BATHROOM

WORDS *Kendra Jackson*

VOGUE

A modernization of retro washstands, this series of freestanding vanities by Meneghello Paoletti Associati features three textural sink options (smooth, ribbed and quilted). The linear metal frames are available in matte white or black and include a built-in towel holder and solid or gridded shelf. artceram.it

STELLÉ

Compact and uncomplicated, Stellé is hand-crafted from responsibly sourced woods and finished in one of 12 natural stains that highlight the grain or four neutral lacquers. Made in three sizes (from 41 by 41 to 61 by 41 centimetres), the floor-mounted pedestals come with or without doors. wetstyle.ca

LINEA TRIENNALE

Part of the customizable Progetto Bagno collection, Linea Triennale sees an aluminum internal structure clad in pale oak that can easily be matched with other materials, like the Carrara marble Dot surface by Scholten & Baijings seen here. itlas.com, trendsandtrades.ca

TRATTO

A modular system defined by sophisticated lines, Tratto comprises both closed volumes and open-front elements. Unobtrusive recessed grip handles can be brass, bronze or silver, or lacquered in a variety of colours that match the units, like the Powder Pink matte finish shown. scavolini.design
